- Airline offers 50% discount off fares to 18 destinations*

SINGAPORE, 16 June, 2009. Tiger Airways, Singapore's low fare airline, announced today that it is offering an across-the-board 50% discount on 18 choice destinations as part of the carrier's effort to bring greater cheer to savvy shoppers at the Great Singapore Sale. The promotion is made even sweeter by exclusive hotel special rates available online with Tiger Airways Hotels. With the money saved by travelling with Tiger Airways shoppers will be able to snap up even more bargains while in Singapore

Savvy travelers will enjoy discounted fares to the following cities: Langkawi, Kuala Lumpur, Kuching, Kota Kinabalu, Penang, Bangkok, Ho Chi Minh City, Phuket, Clark (Manila), Macau, Shenzhen, Haikou, Padang, Hanoi, Chennai, Bangalore, Singapore and Guangzhou. The booking period is from 16 June to 24 June 2009 and valid for travel from 15 July to 30 November 2009. Bookings must be made on-line at www.tigerairways.com and subject to availability on a first-come-first-served basis on selected flights.

"This should be excellent news for savvy travellers served by our network firmly establishes Tiger Airways as Asia Pacific's fastest growing low cost airline bringing true value to our customers across the region. ." said Rosalynn Tay, managing director of Tiger Airways Singapore.

"The Great Singapore Sale is an annual event in Singapore that is greatly anticipated to by bargain hunters in the region. What better way for Tiger Airways to participate in the Great Singapore Sale than by offering discounts to our passengers across the region. With Tigers fantastic low fares travellers will have even more money in their pockets to spend on all the fantastic shopping deals on offer at the moment." added Rosalynn Tay.

END

*Discounts are applicable to fares only. Taxes and fees apply.

About Tiger Airways

Tiger Airways is Asia-Pacific's true low fare airline. It consistently strives to offer passengers the lowest airfares on safe and convenient point-to-point air travel. Tiger Airways took to the skies from Singapore in September 2004 with two aircraft in its fleet and three routes in its network. Within four years of operation, Tiger Airways now operates from its Singapore, Melbourne and Adelaide bases with 15 A320s to 32 destinations across 9 countries in Asia and Australia and will continue to expand as it takes delivery of the 56 A320's it has on order for delivery through to 2016.
